Education

Master's degree - Gdansk Univeristy of Technology (Materials Engineering) [07/2021]
Bachelor's degree - Gdansk Univeristy of Technology (Chemical Technology) [02/2020]

About:
I am a conscientious person who performs assigned tasks with care and pays great attention to detail.
I am organized and can work well both in a team and independently. I enjoy learning new things.
I'd like to gain commercial experience in the IT industry and learn how to work in a professional team or on a large project.
I strive to learn from more experienced people to improve my existing skills.
My strengths are communication skills, conscientiousness, diligence, attention to detail, and a willingness to learn.

Additional:

- Temporary home for dogs (Judyta Foundation),
- During Covid 'the dog in the crown' social campaign (dog walking),
- Social campaign: (Santa Claus for seniors) ,
- Internship in a chemical laboratory (fuel industry),
- Customer service work/Visual Merchandiser's assistant (in the store),
- Household expense/budget planning,
- Calendar management (arranging meetings, entering/remembering events, etc.),
- Ability to use: Excel, MS Word, Autocad,
- Driving License cat B
